Sponsorship Packages

Eat, Drink and Be Green! Join **One Montgomery Green** for a truly unique celebration at the beautiful **Brookside Gardens**. It's our "greeniversary"! It promises to be a delightful day with outdoor activities, local vendor tents, student scientists, exceptional food from local eateries, raffles, and music under the stars.

Your participation will **benefit a great cause** supporting our climate resilience work and recognizing the work of Montgomery County students studying the impact of plastics in our environment and becoming stewards of our environment. **Meet local heroes** facing these challenging times with perseverance and resilience creating real action combatting climate change. **Celebrate** our accomplishments and be ready to connect, prepare and support sustainable communities with a "visibly green" and healthy environmental footprint.

For this our biggest fundraising event of the year we invite you to share in this exceptional event with friends new and old. Spend some time in the garden and help a good cause. Enjoy the tastes and wares of your favorite local vendors.
