

## OMG YOUTH INTERN(S)

**Purpose:** One Montgomery Green Inc, (OMG) a Maryland non-profit dedicated to promoting Montgomery County as a model sustainable community, is seeking applications for an Intern for approximately 5-15 hours per month. The intern(s) will be expected to support OMG's events and activities in general as well as specific duties described below. The position is open to MCPS High School students and is eligible for Student Service Learning hours (SSL). OMG also welcomes students to sign up as volunteers for one (1) or more summer activities. Please go to the online application form at the link provided below and select whether your interest is in the internship position or volunteering.

**General Duties:** Will include participation in OMG events as assigned. Planning, implementation and support of various OMG projects described.

### Program/Activity Support:

**Outreach/Engagement** involves joining OMG at various events in the Silver Spring/Wheaton area. Activities involved engaging the public by providing information about OMG to attendees.

**Summer Stream Clean Up** involves helping to plan and implement, with the help of the OMG team, a local stream cleanup for youth. You will create a template so that this can be replicated.

**Clean Headwaters Project** involves helping with the programming of the fall session of this project on plastic waste in our local streams.

**Other Programs** These program allows for significant interaction with local schools and PTAs, nonprofits in the community focused on arts and the environment and other environmentally friendly businesses, civic associations and organizations.

The **ideal candidate** will have the following attributes/skills and is expected:

- to be on time for meetings and other activities, to dress appropriately for the activity and to demonstrate professional behavior during his/her work with OMG.
- to possess a positive attitude, good organizational and interpersonal skills and a commitment to building sustainable communities.

Please fill out the online [application](#).
